

Voucher App

Payment for digital services and products made easy.

Applicable to all digital services on the new business platform CONNECT by FAUDI Aviation.

Simplify payments

Vouchers offer a smooth and fast payment for FAUDI Aviation services and products.

Experience the streamlined ease of a trusted commerce technology to become more agile in a hybrid work world.

Immediately available

Purchase vouchers by credit card and use immediately for payment or allocation to pool members. Manage voucher pooling and voucher routings seamlessly across the platform.

Value of data

Make informed, confident business decisions with data-driven insights. Analyse payment history using the data to forecast, driving better business results.

Connected business processes

Optimise processes that cross lines of business and minimise effort.

Accelerate payment processes with the Voucher App**1. Log in**

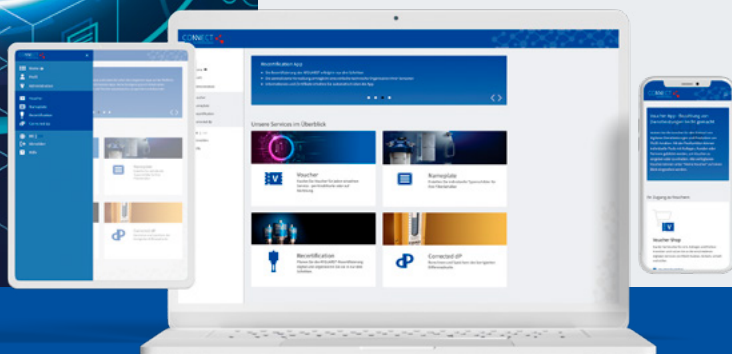

Log in to the Voucher App or to the business platform CONNECT by FAUDI Aviation. Select Voucher Shop in the Voucher App.

**2. Voucher payment**

Purchase vouchers by credit card and use immediately for payment or allocation to pool member. Vouchers may be purchased singularly as required or in bulk.

**3. Monitoring**

Keep track of vouchers in the app. Analyse payment history and create usage patterns of collaborative pools.
